OUR STORY

For over 100 years, we've committed to always provide the best service possible to the American farmer and rural America. We are a reflection of the agent and farmer - all cut from the same cloth. We know what it requires to live the farming life; relentless determination, endless patience, and self-reliance. We are experienced, with localized knowledge and support, and equipped to provide efficient and fair service, when needed and where needed. We partner with your trusted agent to provide you with the right risk management plan to protect your business. Our belief in a strong safety net for America's agricultural communities and our high-level service makes us a leader in the industry.

SERVICE THAT PERFORMS

Claims

Rain and Hail guarantees to always provide the most efficient and fair claims service to our insureds, with knowledgeable staff and adjusters who understand the farming life. We believe our customers find our service is prompt, professional and fair.

Industry Leading Technology

Our tools provide reliable and stable service, providing customers with accurate quotes, prompt claims adjustment and expedited claim payments. Using a computer or mobile device, insureds can access our website, www.RainHail.com, for secure access to their current policy and account information, including summary information, planted acreage, premium notice, claim status and a listing of important dates. We also offer online premium payment for quick, hassle-free payment of your agricultural insurance premiums.

FINANCIAL STRENGTH

Rain and Hail has long been a recognized pillar of financial strength within the agricultural insurance industry. Backing from Chubb guarantees that all claims will be paid in a timely manner, as they have been for over a century.
